

PLANETREE CONTINUING CARE

Navigation • Collaboration • Results

Planetree Continuing Care will be hosting a series of Learning Journeys for organizations interested in improved clinical, financial, and operational outcomes and in engaging the passion of all stakeholders. These daylong events will take place on the 2nd and 4th Thursdays of each month at Wesley Village in Shelton, Connecticut, a senior living community that provides retirement living, assisted living, and skilled nursing and rehabilitation.

To learn more about Planetree Continuing Care, visit www.planetree.org.

To schedule a Learning Journey, please call Marie Sullivan at 203-731-1365, or email at msullivan@planetree.org.

THE DAY INCLUDES:

- An in-depth presentation tailored to your organization's individual needs that will detail Planetree's history, guiding principles, and the clinical, financial, and operational outcomes possible for your organization
- The opportunity to meet with and learn from your counterparts during a gourmet lunch attended by Wesley Village and Planetree executives
- A variety of experiential exercises designed to give you a sense of how Planetree can impact all of your stakeholders, including residents, staff, families, and volunteers
- The opportunity to see and feel the philosophy in practice through an extensive and interactive tour of the Wesley Village, involving line staff, volunteers, residents and other community members committed to transformational change (Please note that tours are customized based on your organization's interests.)
- The sharing of Best Practices gained from the 5-year pilot study of the implementation of Planetree Continuing Care at Wesley Village

Schedule a Learning Journey for a number of individuals from your organization. Or attend a Learning Journey with representatives from other organizations to exchange ideas and best practices.

**Per Person and Large Group Discounts are available. Please note that a portion of the cost of the Learning Journey is applicable to the membership fee if an organization decides to become a Planetree Continuing Care affiliate.*
